Other Skills

Other skills that could be beneficial for this position stem from my 4-year term as the Section Leader (Skipper) of the 1st Sliema Scout Group. Some skills learnt through experience and training include:

-> Organising and planning activities for scouts (aged 10-14 years).

-> Appreciation of the importance of safety and procedures that are used to ensure the safety of myself and others.

-> Managing my team of leaders.

-> Delegation of tasks to both the leaders and the youth members.

-> Knowledge on how to lead teams, look after the group and the individuals to get the job done.

-> Maintaining and updating the section's accounts accordingly.

-> Ensuring that activities are planned on time and the appropriate forms are sent on time.

-> Experience monitoring, evaluating and reviewing performance.

-> Experience managing large projects and often large groups of people.

-> I have received all the formal training in The Scout Association completing all OCN accredited units possible.

-> Experience training other leaders.

-> Experience planning and leading trips abroad for both youth members and adult leaders.
